Doodle Drawing

Recommended for Ages 5 – 18

Let Your Creativity Flow

Doodle drawing is an art form to express one's creativity with shapes, patterns, and scribbles. You can draw unique shapes with a pencil and then add a touch of color with crayons to brighten your design.

You will need:

- Paper
- Pencil or black marker
- Crayons, markers, or colored pencils

Instructions:

On a blank piece of paper, take your pencil or marker and start drawing different shapes or lines. Then use crayons, markers, or colored pencils to color in your doodle or create unique patterns.
