

Activity Idea

Make Your Own Rainbow Color Scratch Paper

Recommended for Ages 5 – 8

Supplies needed:

- Paper, cardstock, or paper bag (cut up)
- Crayons

Instructions:

1. Color entire paper with every color of crayon. Make sure the entire paper is colored in with crayons with no gaps.
2. Color with black crayon over the entire paper, so no color is shown through.
3. Scratch into the paper with unsharpened pencil and draw your design. For example: draw a heart or a flower.

Have fun!
