## Color Code Your Books *Recommended for Ages 9 - 13*

You will need the following materials:

- Books that you own at home. Always ask permission before organizing someone else's books.

Instructions:

1. Remove your books from their shelves and lay so you can see their spines.
2. Look at the colors of your book spines. Sort your books by color groups.
3. Reshelf your books by color groups. Perhaps you want to shelve your books in rainbow order!
