

Activity Idea

Paper Plate Rainbow

Recommended for Ages 3 – 8

Items Needed:

Paper Plates, cotton balls, markers or crayons, school glue, scissors

Instructions:

1. Cut a paper plate in half across the middle. 
2. Use half of the paper plate to make your rainbow.
3. Color your rainbow bright and beautiful colors!
4. Use the other half of your plate to cut out cloud shapes to glue to the bottom of the rainbow.
5. Next, glue cotton balls at the bottom of the two sides of the rainbow on top of the paper plate clouds you've already glue down.
6. Your rainbow is finished!
