

Activity Idea

Butterfly

Recommended age level: 3+

You will need the following materials:

- Paper
- Cut out butterfly's body, butterfly's wings, four circles, two eyes, two antennae. Parents may need to help their child.
- Scissor
- Markers or crayons
- Glue stick

Instructions:

- Gather your materials and place them together before gluing them down.
- Glue down the two biggest circles on the upper wings.
- Glue the smallest circles on the bottom wings.
- Glue the butterfly's body in the middle and the antennae.
- Add eyes to the face of the butterfly and draw a smile.
- Be creative and have fun! 😊
