

# Activity Idea

## Shape Maze

*Recommended for Ages 4-8*

### What is a Maze?

A maze is a puzzle with a path or collection of paths that has a starting and ending point. There are many paths to choose from but there is only one way in and out.

### You will need the following materials:

Pencil, paper, and printer to print worksheet

### Instructions

1. Begin at “start” and use a pencil to trace a path through the maze until you are at “end.”
2. If you make a wrong turn, it will result in a dead end. You will need to retrace your steps until you find your way to the end.
