

Activity Idea

Rainbow Pot of Gold

Recommended for Ages 4 – 9

You will need the following materials:

- Rainbow construction paper strips or regular white paper and color it (strips are 2.5" x 9 inches).
- Markers or crayons
- Glue
- Scissor
- Black pot cut out
- gold coin cut out

Instruction:

- Have your child glue a chain of rings using the rainbow strips. Photo included for color placement.
- Attach pot of gold with round yellow coin cut outs.

This allows the child to work those fine motor skills and explore their creativity.
