

Activity Idea

HAIRSTYLE MAKEOVER

Recommended for Ages 5+

Explore creativity with this hair-raising idea. Take turns styling each other's hair. This activity will give kids more practice, leading to higher independence and self-confidence for doing their own hair.

You will need the following materials:

- Combs, brushes, hair products like hairspray, mousse, or styling gel, hair accessories, mirror, towel.
- Options: hair dryer, shampoo, conditioner, detangler, curlers, etc.

Ideas to try:

- Introduce the different hair products, tools, accessories.
- Discuss and demonstrate how to use them, do's and don'ts.
- Use YouTube videos or magazines for ideas and "how to" on styles.
- Take turns doing styles on each other.
- Learn how to do your own new hair styles.
- Get a little silly! It is all out in a wash. This is all about fun and creativity.
- Pair the new hair style with a styled outfit.
- Make a menu of salon services.
- Use plenty of praise as children try and master new skills.
- Use dolls to practice styles on.
- Take pictures.
