

Activity Idea

Neighborhood Museum

Recommended for Ages 9+

Create a public art display on your front door, window, or outside public space where you live. (Make sure to get permission from the adults that you live with.)

You will need the following materials:

- Paper
- Any art materials
- Tape

Instructions:

1. Challenge yourself to create one or more works of art and post it somewhere where your neighbors will see it. Don't write your name on it.
2. Change your artwork daily or weekly.
3. If you have an Instagram account, you can keep track of your virtual museum. You can also keep track by saving your artwork or taking photos of your artwork.
