NATIVE AMERICAN HERITAGE MONTH BOOK TALKS

Native News from California

Recommended for an adult audience

A magazine that brings Native perspectives to the forefront and shares upcoming events, tribal rights, environmental issues, arts, languages, histories, social justice movements, and stories of California's diverse Natives peoples. The American Indian Resource Center has the full run from 1987 to the current issue. To check out the magazine, call or visit the American Indian Resource Center.

Discussion Questions/Guide:

- Are there topics you've read from this magazine that you wouldn't normally find in other news outlets? In your opinion, why don't other news outlets cover them?
- Have you read any of the books highlighted in the magazine? If no, request it from LACountyLibrary.org.
- For those who like to cook, find a recipe in the magazine, make it, and share your culinary masterpiece by tagging @LACountyLibrary on social media.
- Did you learn anything new about California Natives? For more, visit [News from Native California](https://NewsFromNativeCalifornia.com/resources) resources.
- If you enjoyed reading *News from Native California*, be sure to check out similar recommendations on the next page.
