All You Need to Know About the Music Business by Donald Passman

For more than 25 years, this book has been universally regarded as the definitive guide to the music industry. Now in its 10th edition, Donald Passman leads novices and experts alike through what has been the most profound change in the music business since the days of wax cylinders and piano rolls.

How Music Got Free by Stephen Witt

Stephen Witt's deeply-reported first book introduces the unforgettable characters--inventors, executives, factory workers, and smugglers--who revolutionized an entire artform, and reveals for the first time the secret underworld of media pirates that transformed our digital lives.

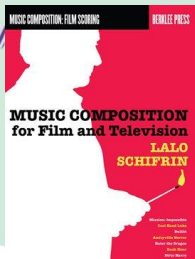

The Eye: How the World's Most Influential Creative Directors Develop Their Vision by Nathan Williams

Meet fashion designers like Dries van Noten and Kris Van Assche. Directors like Spike Jonze and Melina Matsoukas. Tastemakers like Grace Coddington and Linda Rodin. Learn how they developed their eye, and how they used it to communicate visual ideas that captured generations and will shape the future.

Film, TV, & Music Industry Online Resources

Music Creative Production Jobs

Read more about just a few of the different job roles along the workflow of executing music needs for film and TV

Music Supervisor

A qualified professional who oversees all music related aspects of film, television, advertising, video games and other existing or emerging visual media platforms as required.

Music Coordinators

Supports or works closely with Music Supervisors to fulfill on camera music needs. They may work closely with music editors, composers, and music supervisors to create and deliver cue sheets, ensuring that the film's music royalties are distributed correctly.

Music Clearance Specialists

Administering music clearances for film and TV for publishing and the master recordings, which includes identifying music and lyrics requiring clearances, tracking and researching rights holders, understanding public domain and fair use, legal and license reviews, and building strong relationships.

Business Legal Affairs

Provides legal and strategy support for music production arms of the industry, which may include skills such as drafting and negotiating agreements, coordinating fees, and address any legal issues.

Music Creative Production Jobs (cont.)

Composers

Writes the themes, background score, and source music used in film and TV. Composers may also have writers assistants, production assistants, and apprentices.

Music Editors

Responsible for compiling, editing and syncing music for a film's soundtrack. A music editor will help achieve the director's musical vision on film, ensuring the soundtrack is properly structured and that all the components work perfectly together. They are typically hired by the post-production team, but sometimes showrunners and composers have preferred editors. They may also have assistants or apprentices.

Music Houses/Freelancers or Music Labs

Sometimes an independent music house or freelancers will be hired to fulfill specific music needs or create original work for a part of or entirety of a project if there are no options in a music library or any other existing music available to fit the needs of the project. Companies may also have in-house music labs that can also serve this purpose. Music houses and music labs will have their own full staff including music producers, songwriters, music mixers, editors, etc.

Industry Resources
