You Will Need:

- A device with access to the internet
- Paper
- Pencil or pen
- Crayons or markers

Challenges:

1. Go on an art scavenger hunt! Look for:
    a. A painting by a woman artist
    b. A cultural object made out of clay or wood
    c. A cultural object made out of gold or metal
    d. A portrait of a child or teen
    e. An artwork that is at least 400 years old
    f. One funny artwork
    g. One sad artwork

2. Visit a museum virtually located at least 1,000 miles away from your home. Such as a museum in Chicago, New York, Central America, Mexico, Europe, Asia, or Africa. https://artsandculture.google.com/partner

3. Visit a far-off location using street view. How is the location similar to and different from where you live? https://artsandculture.google.com/project/street-view

4. Keep a record of your findings in a journal. You can write about the challenges you completed and art that you found. Draw pictures of, or inspired by, the artwork that you find!
