LA COUNTY LIBRARY

Activity Idea

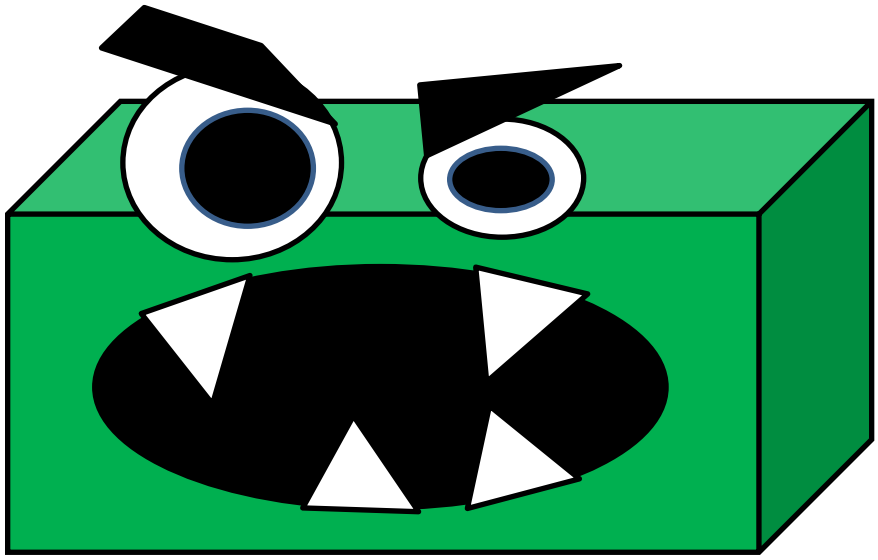
MONSTER BOX BALL GAME

Recommended for Ages 3 – 12

Items Needed:
Empty tissue box, construction paper, crayons or markers, school glue, ping pong balls or other small balls

Directions

1. Using an empty tissue box, use construction paper and color the box to turn it into a monster's head with a giant mouth at the opening where the tissues come out. You can make teeth in the tissue box opening, glue on big eyes, etc. Make it as scary as you can!



2. After you are finished creating your scary monster, it's time to play the game! Using ping pong balls or other small balls, stand at least six feet away from the monster and see if you can get the balls to go into his mouth. The first person to get ten balls into the mouth of the monster wins the game!
