LA COUNTY LIBRARY

Activity Idea

TALENT SHOW

Recommended for Ages 3 – 14

Organize a Family Talent Show

Everybody has a talent – why not showcase yours?

Set aside a time soon to present your talent show; that gives everyone a chance to decide what they are going to present and to rehearse, if necessary.

Ideas:

- Recite a favorite poem (or song lyric).
- Sing a Song – either solo or as a duet with another family member.
- Do impressions of favorite actors and personalities.
- Dance! Improvise to your favorite song or work up a quick routine with another family member.
- If you are learning an instrument, this is your chance to show everyone how much you've learned.
- Act out a favorite scene from a movie or a book.
- If you're an artist, show off some of your artwork; if you like to write stories, share one with your family.

Have another talent? Put it on display, and have fun!
