LA COUNTY LIBRARY

Activity Idea

Animal Numbers

Recommended for Ages 4 – 7

Transform Numbers into Animals
Practice writing your numbers then use your imagination and turn them into animals or other fun images.

You will need the following materials:

- Pencil and Paper
- Crayons, markers, color pencils

Instructions:
On a blank piece of paper, take a pencil and begin by writing the numbers 1, 2,3,4,5…etc. then use your creative ideas and see how you can turn a number into an animal. Below are some examples.
