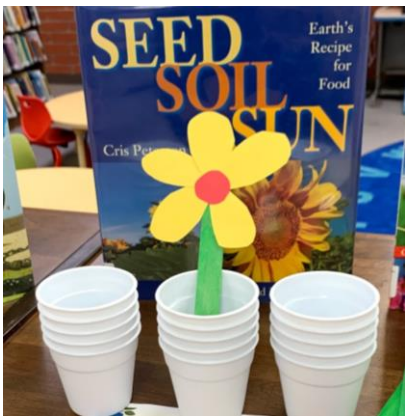
LA COUNTY LIBRARY

Activity Idea

Popsicle Stick Crafts

Recommended for Ages 4 – 8

Popsicle stick characters
Let your imagination fly! Create a popsicle stick character using markers and crayons. Think superheroes. Think book characters. Get creative and think BIG! Put on a puppet show for someone and remember, the best stories have a beginning, middle and ending.

Popsicle stick frame
Use four popsicle sticks and glue to create a popsicle stick frame. Decorate it as desired and use it to show off a photo that makes you happy. Or fill the frame with a unique drawing to help someone smile. Share it!


Popsicle stick flowers
Make some popsicle stick flowers to brighten up your day! Use paper, glue and be creative. See if you can take a walk outside and notice the flowers and other greenery in your neighborhood. Make a list or drawing of what you find!
