Directions

Spring is here and it's a wonderful time for a bunny craft! If you have any plastic spoons to spare this is a real cute one. The outer round part of the spoon will be the head of your bunny.

1. Draw and cut out bunny ears to glue or tape to the top of the head.
2. Draw a face for your bunny using markers.
3. After that you can decide what you want to add to make your bunny look more festive.
4. You can tape a Q-tip to your bunny for arms. A cotton round can be glued to the handle for a softer body.
5. Draw and cut out clothes.
6. A ribbon can make a nice bowtie.

Make a whole family of bunnies and put on a show!
